

# Enviromax CH25 Chiller Unit

The new range of Enviromax chillers has been introduced to supplement our MGR20/40 fan coil, by utilizing the chillers with our Fan coils enables MGR to provide a modular package ready for rent. Our aim was to provide a 'plug & play' system for fast deployment reducing set up, handling and transportation costs.

- **Modular Design**
  - Handling made easy, no need for cranes, units are manufactured with fork pockets. The CH25 also has heavy duty castors making handling more versatile and minimising set-up cost.
- **Smart Controls**
  - Standard across the range, user friendly with self diagnostic control
- **Plug & Play**
  - Manifold sets with isolator valves and quick release couplings
- **Power**
  - Isolator switch and appliance inlet
- **Water Infill**
  - 12mm hose connector via mains or bowser
- **Operational**
  - Ready to run within one hour
- **Separation Distance**
  - Between Chiller and Fan Coil: up to 50m including 4m maximum lift
- **CE Certified**

## COOLING

- **Outlet Water: 7 to 12°C**
- **Outdoor Operating Range: 16 to 48°C**

## HEATING

- **Outlet Water: 45 to 50°C**
- **Outdoor Operating Range: -5 to 24°C**

# Enviromax CH25 Chiller Unit

## SPECIFICATION

Height:	2020mm
Length:	1730mm
Width:	580mm
Weight:	445kgs
Handling:	Fork pockets and heavy duty castors
Rated:	25kW
Connections:	Up to 2 No fan coils
Max hose length:	50 metres
Maximum lift:	4 metres
Hose assembly:	Comprise of 4 No 10m and 4 No 5m lengths, quick release couplings
Refrigerant:	R410a

## POWER INPUT

Power:	32Amps
Voltage:	415V 3Ph 50Hz
Cooling:	8.7kW
Heating:	8.8kW

## MARKETS SERVED

The Enviromax units are fast becoming a market leading brand due to their unique design and operational parameters.

Our units are widely used across the world for rental, events, hospitality, disaster recovery, military, secondary cooling & heating.

## STANDARD PACKAGE OPTIONS

Standard packages are available. We are also able to offer bespoke packages to suit your application.

### PACKAGE 1

- 1 No Chiller CH25, comprising:
- 2 No MGR 20/40 fan coils with recessed back box and quick release couplings
  - 2 No 15m Hose set (4 x 10m) and (4 x 5m) with quick release couplings

 Air-Conditioning

 Heating
