

# IFH30

## 30kw Industrial Fan Heater

The IFH30 offers 3-phase electric fan heating effectively and safely provides up to 30kW of heat output. It is ideal for numerous small & medium sized commercial and industrial premises.

The heater has castors and stout lift handles to assist moving the heater to where needed.

A rugged steel casing, with tough enamel finish ensures adequate protection against knocks & bumps.

The thermostatically controlled, adjustable heat output makes sure the desired temperature is quickly achieved. The IFH30 can even blow unheated air - a bonus for the warmer months.

<b>Model</b>		<b>IFH30</b>
Heating Capacity	kw	30
Airflow Rate	m <sup>3</sup> /hr	4080
Current	Amps	43A
Dimensions	(HxWxD) (mm)	614x433x709
Weight	kg	31
Fan Type		Axial
Heat Output		Fan only/20kw/30kw
Supply		63A 415v 3PH+N+E
Plug Type		63A Appliance Inlet
Mains cable		Not included
Mobility		Portable
Overtemp protection		Yes
