

# SSD 310/311 ZM SOCKET SIL

Item no. 95062

Document type: **Product card**  
 Document date: **2019-06-20**  
 Generated by: **Systemair Online Catalogue**

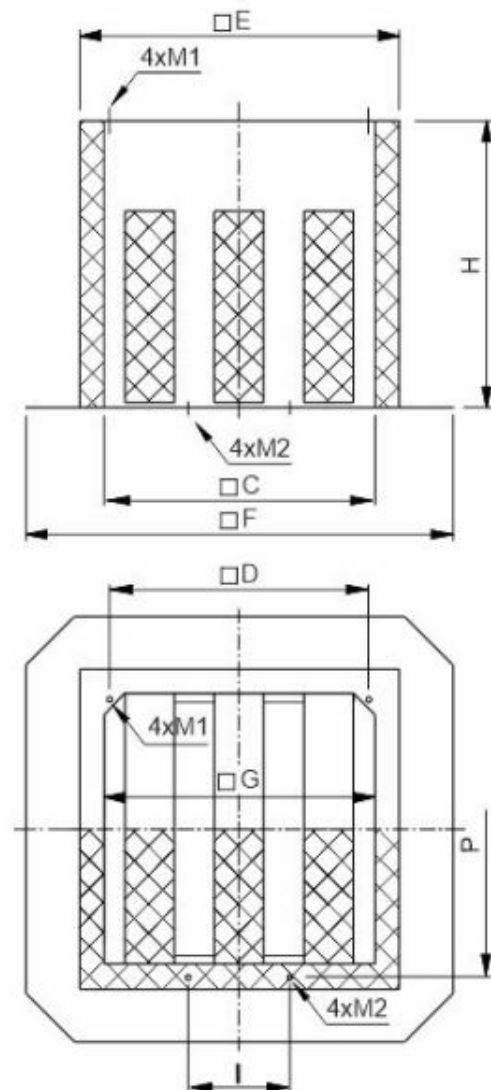

## Description

Socket silencer for flat roof fulfilling sound requirements at the inlet side. The sound absorption at 250 Hz is in average 8 dB. Manufactured from corrosion resistant coated steel sheet (magnelis). The sound absorbing material is abrasion resistant up to a velocity of 20 m/s. The baffles are extendable for service options. Suitable for daily ventilation.
