

## TG 1140/800 ROOF CURB

Item no. 5085

Document type: **Product card**

Document date: **2019-06-05**

Generated by: **Systemair Online Catalogue**

### Description

Roof curb

The brackets make it easy to fit the roof curb to the roof pitch, and also function as a silencer. Manufactured from galvanised sheet steel and insulated with a 50 mm rockwool sheet and a perforated inner plate.

The roof curb is fitted with plastic piping and conduits for electric cables.

A roof curb with 100 mm insulation (corresponding to A60 insulation) is available on request.

### Technical parameters

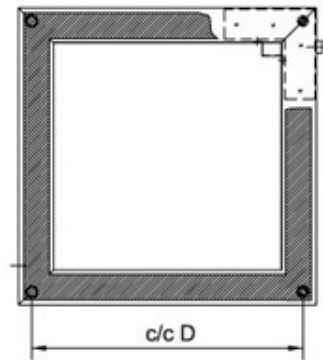

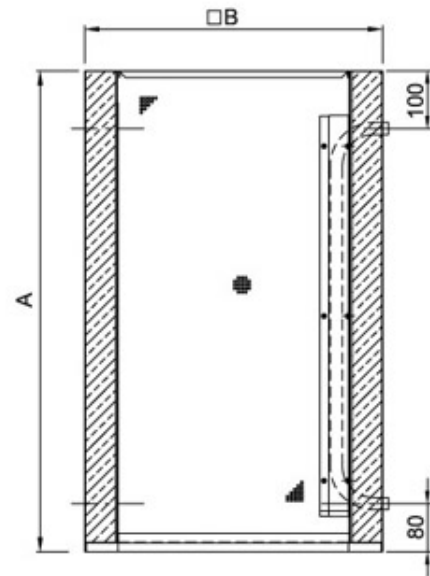

Weight

65 kg
